CVS/pharmacy stores to carry Momints

The Westfield, NJ-based Yosha! Enterprises has announced that more than 4,000 CVS/pharmacy stores nationwide will carry its Momints® product, a liquid-filled, zero-calorie breath mint. Encased in a patent-pending EZ Slide™ pack, Momints' tapered-edge packaging allows the mints to be inconspicuously tucked into even the tightest of jeans.

Momints are also available at 7-Eleven stores nationwide. ☐
