

JUST A LITTLE SEX

THOSE LITTLE TOUCHES CAN MAKE A GOOD NIGHT of love even better. Here are a few ideas to help you have a Valentine's Night to remember!

• **NOTHING IS A BIGGER TURN-OFF** THAN bad breath—it's the quickest way to turn a yes into an "I don't think so." Now you can keep that yes with Momints, the Original Liquid Filled Mint! Exceptionally bold and like nothing you've experienced before! Now available in exciting new cinnamon and winter burst, this bold liquid-filled breath mint is enclosed in innovative foil packaging, which includes eight of the strongest mints on the market. Whether you're meeting that special cutie at the club or in the bedroom, slipping down these bold liquid mints guarantees minty bliss. www.momints.com

• **YOU KNOW, MAMA ALWAYS SAID, "IF** it doesn't smell good, don't put it in your mouth." For before and after love, Pleasure Wipes are the first scented adult wipes, large-sized, alcohol free, with vitamin E and aloe in luscious vanilla or sexy mango flavors. They are available in a resealable tub for the nightstand or in individual packages to carry to that special location. www.pleasurewipes.com

• **GREAT SEX IS ALL ABOUT ANGLES, AND** the angle of each partner can intensify your experience, in terms of ease, duration and gratification. Consider these two suggestions for a particularly pleasurable Valentine's Night and beyond—The Liberator Wedge or Ramp. A favorite position using the Liberator Wedge is called "Lady's Choice" for obvious reasons! Or consider the Wedge/Ramp Combo: positions like "Dinner for Two" can bring mutual oral sex into a new light. www.herliberator.com
