Momints are a blast of freshness for your mouth.

They are little liquid-filled breath fresheners that already have made their mark: Momints are the best-selling breath mints at 7-Eleven stores nationwide. The BB-size mints come in tubes of eight or in packages of 36.

Express Checkout Price: 50 cents for the eight-mint tube; \$1.69 for the 36 pack; available at 7-Eleven, Wal-Mart and other retailers nationwide
