

# Take a Momint

Looks can be deceiving. At first glance, these tiny little liquid filled balls seem completely harmless, but as soon as you bite into a Momint, you will be blasted by the powerful burst of freshness. The world's first liquid breath mint has proven to be a very effective tool in the battle against bad breath. Just brace yourself, this isn't your mother's Tic Tac. \$2.60, [www.momints.net](http://www.momints.net)
